## CLOUDLINE™ SYSTEM

The CloudLine™ System uses Team Wendy's proven Zorbium® foam technology to offer leading edge impact protection in a comfortable and lightweight design. Extra thick soft padding is used in strategically placed hexagon-shaped comfort pads designed to prevent hot spots while maintaining protection.

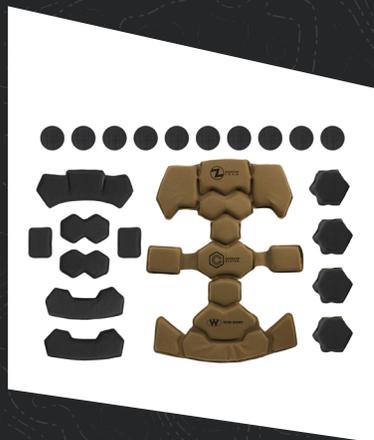

### COMPATIBILITY

Compatible with nearly all standard ground combat helmets, though some models may also require a CAM FIT™ Retention System retrofit in order for the CloudLine™ System to fit properly.

### PERFORMANCE

Exceeds ACH blunt impact requirements (AR/PD 10-02)

Performance is based on testing in ACH shells; results may vary by shell type and manufacturer
