

PURPOSE

Extends the chinstrap by 4". Commonly used by operators who need to extend the length of their chinstrap to accommodate a gas mask.

One (1) CAM FIT™
Chinstrap Extender

NOTE

The CAM FIT™ Chinstrap Extender is only compatible with Team Wendy's CAM FIT™ Retention System and CAM FIT™ H-Back Retention System.

CAM FIT™ CHINSTRAP EXTENDER

INSTALLATION INSTRUCTIONS

INSTALLATION

STEP 1

Unbuckle the clasp by the chin cup of your CAM FIT™ Retention System. Buckle the CAM FIT™ Chinstrap Extender to it as shown in figure 1.

FIG 1

STEP 2

Buckle the other side of the CAM FIT™ Chinstrap Extender to the alternate side of the CAM FIT™ Retention System. Adjust Cam Lock Sliders as needed given the new chinstrap length.
