

EXF BALACLAVA

USAGE INSTRUCTIONS

other products —

INNOVATE TO PROTECT

PURPOSE

Fleece insulating fabric provides warmth around the face and neck. Optimized for use while wearing a helmet.

CONTENTS

- One (1) EXF Balaclava

FEATURES

- Unisex formfitting design with stretch fabric that covers the head, face and neck.
- Split design to allow lower/face portion to be pulled down around the neck. Upper/head portion made of thin moisture-wicking fabric that will not impact helmet fit/sizing.
- Mesh panel at the mouth improves ventilation.

CLEANING INSTRUCTIONS

Machine wash with a gentle detergent. Air dry.
